

House Resolution No. 2739

Whereas, the members of the Missouri House of Representatives feel it is altogether fitting and proper to pause from time to time to recognize Missouri organizations that have distinguished themselves through significant professional achievement; and

Whereas, the members now pause to recognize Gerding Enterprises, of Dittmer, Missouri, which was recently granted certification to ISO 9001:2000/AS9100 quality management system standards; and

Whereas, Gerding Enterprises, a premiere aerospace manufacturing company, had to meet a set of comprehensive quality management system requirements and pass a registration audit conducted by a disinterested, independent, accredited third-party registrar; and

Whereas, Gerding Enterprises implemented a program to achieve this certification in November of 2006, with the assistance of Missouri Enterprise Project Manager Dewayne Whitener, who provided the company with project management, training, documentation preparation, implementation assistance, internal audit training, and on-site support; and

Whereas, Gerding Enterprises has a 20,000-square-foot, climate-controlled facility that the company's president, Charles "Chuck" Gerding, Jr., intends to expand to twice its current size within the next few years; and

Whereas, this certification gives the customers of Gerding Enterprises a high level of confidence that the products Gerding Enterprises manufacturers will meet all specifications and perform as intended, which is crucial when supplying precision products to the aerospace industry:

Now, therefore, be it resolved that we, the members of the Missouri House of Representatives, Ninety-fourth General Assembly, join to extend our most sincere congratulations to Gerding Enterprises and President Chuck Gerding, Jr. on the illustrious occasion of their earning their ISO 9001:2000/AS9100 quality management system certification, with our best wishes for every success in the future; and

Be it further resolved that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for Gerding Enterprises.

Offered by _____
Representative Belinda Harris
District No. 110

I, Rod Jetton, Speaker of the House of Representatives,
Ninety-fourth General Assembly, Second Regular Session,
do certify that the above is a true and correct copy of House
Resolution No. 2739, adopted May 7, 2008.

Rod Jetton, Speaker
